

# GIRLS ONLY

## WANT TO WORK IN TECH?

Get your start with Charleston's newest **GIRLS WHO CODE** club

**EXPLORE CODING IN A FUN + FRIENDLY WAY!** Join a sisterhood of supportive peers and leaders as you explore how to use computer science to solve a problem in your community. You'll learn four concepts behind all programming languages, whether you want to build an app, create a website, design a game, or program a robot! And after you graduate, you can tap into an alumni network of tens of thousands of girls across the US using computer science to make a difference.
