

UNLOCKING THE RED DOOR

NATIONAL WOMEN & GIRLS HIV/AIDS AWARENESS DAY

6 PM THURSDAY, MARCH 8 | Join us for our first indaba of 2018! (*Indaba* is Swahili for a “community meeting of the minds.”) Held in partnership with the Ryan White Wellness Center at Roper St. Francis Healthcare and the Positive Women’s Network, this event will reveal the myths and risk factors of this disease, show you how to advocate for and support women with HIV/AIDS, and introduce you to HIV/AIDS programs. And in keeping with our indaba format, you’ll spend time with a different subject matter expert at each table. All are welcome! Dinner will be provided. This event is free and open to the public, but registration is required since seating is limited.

HOW TO REGISTER | Contact Neshama at 843.722.1644 or internywca@ywca-charlestonsc.org
